## UKIP boss 'looks into Koran ban'

UKIP's new leader said the UK should "look into" whether to ban people handing out the Koran in public.

Richard Braine, who was recently elected the party's sixth leader in the last three years, suggested the Islamic holy book should have its distribution limited.

He said: "We need to look into whether it's illegal to do so because we do have laws against incitement to violence, so we should look into that."

"I understand there's something like a 100-year threshold where, if a work is more than 100 years old, it isn't subject to incitement laws."

"But I think that's worth looking at because there's no question that some people who commit violence are motivated by the scripture."

Mr Braine stressed he was "not saying" the Koran should be banned completely.

## Employment and wages hit highs

WAGE growth in the UK reached an 11-year high in the year to June, and the employment rate was its joint highest since 1971, official figures show.

Wages rose to 3.9 per cent, while the estimated 76.1 per cent employment rate was the best since comparative records began.

Overall, a record high of 32.81 million people were in employment, the Office for National Statistics said.

This was 425,000 more than a year earlier and was largely because of more people working full-time.

# BODY FOUND IN JUNGLE IS MISSING TEEN NORA

THE parents of Nora Quoirin have identified a body found in Malaysia as that of the missing teenager.

Nora, who had special needs, was on holiday with her family when she disappeared from her room at the Dusun resort on August 4.

Police said the 15-year-old Londoner's parents have confirmed the body found by a search team on Tuesday was the vulnerable girl.

A post-mortem examination will be carried out today.

About 350 people had been hunting for Nora, who was of Irish-French descent, in dense

jungle near the resort. Her body was found just over a mile away from the Dusun, according to the BBC.

Malaysia's deputy police chief Mazlan Mansor said Nora was found beside a stream in a "quite hilly" area of plantation, and was "not in any clothing".

Authorities have been treating Nora's disappearance as a missing persons case, but her family have said they believe she may have been abducted.

Her cause of death has not yet been confirmed.

Nora was born with a disorder which affects brain

development, and her family said she was "not independent and does not go anywhere alone".

On Monday, her parents Meabh and Sebastian, of London, put up a £10,000 reward for help to find her.

At the time, they described Nora as being "so precious to us".

## Trump aide: UK 'first in line' for U.S. trade deal

DONALD Trump wants Brexit to be a success, with the UK being "first in line" for a trade deal with the US, possibly on a gradual "sector-by-sector" basis, according to his national security adviser.

Speaking following a meeting with Prime Minister Boris Johnson on a visit to London, John Bolton said the US could focus on striking bilateral trade deals in certain sectors like manufacturing and car-making where the two countries may agree, and work out other areas later.

It comes as pollsters say a majority of the British public think Mr Johnson should suspend Parliament in order to push through Brexit.

Mr Bolton said: "The main purpose of the visit really is to convey President Trump's desire to see a successful exit from the European Union for the United Kingdom on October 31, to offer to be of help in any way that we can and to express his hope we can have a fully comprehensive bilateral trade agreement with the United Kingdom as soon as possible."

## Modest Brits tackle killer knifeman in Sydney, but say...

# WE'RE NO HEROES!

**PROUD OF THEIR ACTIONS:**  
Brothers  
Luke (left)  
and Paul

**A FORMER football league star and his brother were hailed as heroes for tackling a crazed knifeman in Sydney after the attacker ran amok, leaving one woman dead.**

Siblings Luke and Paul O'Shaughnessy, from Bury in Gtr Manchester, said they acted on instinct as they saw a man wielding a large blade running through the streets of the Australian city centre.

Both said they were "proud" of their actions but denied they were heroes – despite police and the country's prime minister commending them for helping to tackle the suspect.

Paul, 37, a former midfielder

with EFL side Bury FC between 1999 and 2004, said: "I didn't even think about it."

"I just thought 'is my brother going to be OK' as we ran towards him."

He added: "Our values as brothers is we are protectors."

Brother Luke, 30, said: "I just wanted to make sure he couldn't hurt anyone else."

### Instinct

"We're the kind of guys who ask questions later and act on instinct."

He added: "If it happened again, I would do it again and act quicker."

The pair, who run digital

talent agency MAP Talent, were in their York Street office when the drama unfolded mid afternoon.

Luke said they spoke of the danger they were running into as they jumped into the lift to go and help.

"I heard a massive commotion outside," said Luke.

"I shouted 'Paul, let's go, there's a man with a knife'."

"As we came down in the lift, I said 'seriously, he's covered in blood'."

"We came out onto King Street and ran all the way round trying to chase him."

"Eventually, we caught up with him and I apprehended him and pinned him down."

"He had a knife. It was next to him covered in blood."

The brothers said they kept the attacker detained until the

police arrived on scene.

Police confirmed they were investigating allegations the suspect yelled "Allahu akbar" ("God is great") but are not treating it as a terror incident.

### Arrested

Police said the suspect – a 21-year-old man from Maryong in New South Wales – attempted to stab several people in Sydney before being arrested.

A woman was found dead in a building nearby and police were investigating if the earlier stabbing at a hotel on the corner of Clarence Street and King Street was linked to the street attacks.

Asked to respond to the acclaim, the brothers declared: "We're not heroes."

## SCOTS COURT MOVE TO BLOCK BORIS

A LEGAL challenge to try to prevent Boris Johnson shutting down Parliament – and force through a no-deal Brexit – has begun in a Scottish court.

A group of MPs and peers wants the court in Edinburgh to rule that suspending Parliament to make the UK leave the EU without a deal is "unlawful and unconstitutional".

The Prime Minister (left)

has repeatedly refused to rule out such a move.

Lord Doherty agreed to hear arguments from both sides in September.

However, he refused to accelerate the case through the Scottish courts, with the petitioners voicing fears they may run out of time before the UK is due to leave the EU on October 31.

The start of the legal action came as it emerged the UK Government expects a group of MPs to try to block a no-deal Brexit by attempting to

pass legislation when Parliament returns next month.

A Downing Street source said they expected the challenge to come in the second week of September, when MPs are due to debate a report on Northern Ireland.

The source assumes the EU will wait until after that date before engaging in further negotiations.

More than 70 MPs have put their names behind the move.

**TWO-THIRDS** of porn lovers watch X-rated action at least once a week.

And a survey reported that internet sex videos have been a positive influence on those previously struggling between the sheets.

The Sunday Times study found that 58 per cent of Brits watch porn – and their favourite viewing is GIRL-ON-GIRL action.

Of those who watch porn, 87% said it had helped their sex lives and 77% claimed it had been good for their relationships.

And 61% said porn has made them more adventurous.

#### Romps

But the survey also revealed worrying trends – with 31% thinking porn is similar to real sex and 29% saying their taste has become “less mainstream”.

And 8% of so-called Generation Z – aged 22 and under – say they first went online to view sex vids aged under 12.

Lesbian sex is the most popular genre

overall with both men and women – except with Gen Z most enjoy watching “rough sex”.

Meanwhile, some felt porn had a negative effect on their real-life romps, with most of these finding it more difficult to get aroused.

It was also bad for body image, according to 23%.

Among the 68% of people watching grot each week, *Pornhub* is the most-visited adult website.

## PEAKY FASCISTS!

THE new series of *Peaky Blinders* will explore the rise of fascism in Britain in the 1930s, according to the show's creator Steven Knight.

The fifth season of the BBC's acclaimed crime drama kicks off in 1929 and sees the main character, played by Cillian Murphy (*right*), entering Parliament as an MP.

Episode one begins with the Wall Street crash and its impact around the globe, including the rise of fascism all over Europe.

## OUR NOT-SO-LITTLE SECRETS!

### What we hide from our partners revealed

THE 10 biggest sex secrets that men and women keep from their partners have been revealed.

Women's most popular secret is revealing the real number of men they have slept with.

Only one in six women disclose the true figure to their partner.

The rest either skirt around the issue or reduce the real number.

Men's most popular secret is to fantasise about having sex with another woman, particularly a previous partner.

More than nine out of 10 men said they regularly reminisce fondly about previous

sexual encounters and 53% do this even when they are having sex with their current partner.

The results are revealed in a new survey of 2,000 men and women, split evenly between the sexes, by IllicitEncounters.com, the leading dating site for married people.

The second most popular female and male sex secret was flirting with a work colleague or friend – 74% of women and 83% of men have done this and

kept it a secret from their partner.

In fourth place was cheating on their partner – 53% of women and 62% of men have kept an act of infidelity secret. This could be kissing, something more intimate or full sex.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "We all have sex secrets we would rather our partner does not discover. What is fascinating is that cheating features heavily in the top ten of both sexes."

However, Liam Hemsworth can take some comfort in the fact that his estranged wife Miley Cyrus was locking lips with another lady.

Miley, who has recently been pictured playing tonsil tennis with reality TV star Kaitlynn Carter on holiday in Italy, later posted several images of herself standing in front of a mountain range on social media.

Miley and Liam starred together in the 2010 romantic drama *The Last Song* and married in December 2018 after years of on-again, off-again dating.

On Sunday, a representative for Miley confirmed the couple were taking a break after less than a year of marriage.

'Gwynnie' sex club owner to spill the beans

THE owner of a sex club rumoured to have Gwyneth Paltrow as a member has sold the business and is writing a tell-all about it.

Damon Lawner, the founder of Snctm, which sells memberships for up to £300,000 a year and hosts erotic parties for toffs and stars, says having offloaded the business, he's now free to spill the beans.

Lawner, 48, said: "I am going to tell the whole truth – as much as my lawyer and editor will allow me to say in print."

Lawner, who started the club in LA in 2013, said the tome will also tell "how Snctm came into existence, and all I saw and experienced in my six-year journey."

He added that a "few of my members who are Hollywood elite have asked for the book as soon as it's completed" – to make sure their kinky secrets aren't about to be exposed, but "to option it into a script/feature film."

Hollywood star Gwynnie is thought to be one of his most famous attendees.

## 30 TOP BRITS ON EPSTEIN'S SECRET PAEDO LIST

**'Once we've decoded the secret files, we'll start knocking on doors...'**

ACCUSED: Ghislaine and (below) where Epstein was found hanged

A SECRET list found at paedophile Jeffrey Epstein's Caribbean lair contains the names and sex details of 30 "big name" Brits, we can reveal.

FBI agents raided the island hideaway on Monday, days after the billionaire financier was found hanged in his New York prison cell.

Dozens of boxes of papers and computer files have been taken away for analysis at the FBI headquarters at Quantico.

It's believed many of the files are hidden by computer encryption or written by hand in code.

A source said: "Jeffrey Epstein believed his secret 'black book' was his ultimate guarantee of freedom. We are sure that he wrote down the crimes and perversions of his high-profile friends and associates, to whom he supplied underage girls.

"There are names from around the world, from business, showbiz, high society, you name it, and 30 of them were Brits. If they were connected and they were rich and they were perverts, Jeffrey Epstein knew them.

"This is going to take a long time, but once the details emerge the FBI and law enforcement

Along with his secret pervert list, agents have found Epstein has many numbers in his contact book for wholly-innocent celebs such as Mick Jagger, Tony Blair and Richard Branson, for whom there is no suggestion of involvement in anything shady.

### Dossier

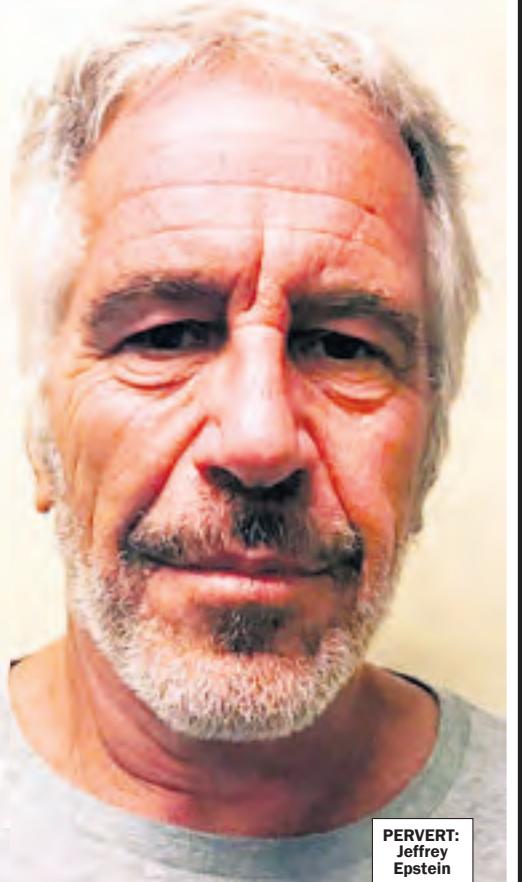

The agents also found that Prince Andrew had 16 numbers next to his name, including a mobile and lines for Balmoral and Sandringham.

Epstein, 66, is believed to have hanged himself in a New York jail on Saturday while facing child sex trafficking charges.

The Department of Justice and the FBI have both launched investigations into his death, which came hours after a court in Manhattan released a 1,200-page dossier detailing lurid abuse allegations against him.

They were unsealed in a legal tangle between Epstein's socialite ex-lover – Ghislaine Maxwell – and Virginia Giuffre, formerly known as Roberts.

## UNGRATEFUL BASTARDS! Parents send £7 bill for rescued girl's lost lilo

BRAVE sea rescuers launched a £7,000 mission to save a child drifting out to sea on an inflatable – only to be sent a £7 bill by her ungrateful parents for the lilo that was lost.

A Royal Navy rescue helicopter was scrambled to help save the girl when she got into danger as she drifted out to sea on the inflatable.

A crew member jumped into the water to pluck the child to safety but left the lilo behind.

The commanding officer said the rescue cost around £7k and was left stunned when presented with the bill from the child's parents.

Mike Carter, President of the RNLI branch which covers Porthleven in west Cornwall, said: "A family visiting Porthleven purchased a lilo from a local shop and went to the beach.

"There was an off shore wind and the parents experienced their child

waving goodbye as the lilo went further and further out.

"The coastguard scrambled the Search and Rescue helicopter which was soon on scene. The diver jumped from it and saved the child.

"He instantly put a knife through the lilo to save any drifting and they were both winched to safety."

After receiving the invoice, Mike said the rescuer replied saying they would happily pay the £7 – if the

family paid for the launching the chopper. No response was received."

Last week the Maritime and Coastguard Agency warned that inflatables in the sea pose a constant threat during the summer season.

The politician replied "well", while averting her eyes from Gloria.

She then followed it up with: "It's a daytime show".

Ms Sturgeon (*above*) then pretended to fan herself.

Eventually, she admitted to her fellow panellists that she liked "reading" – describing it as a "safe answer".

"Peter [my husband], yeah, he can de-stress me from time to time," she laughed.

One *Loose Women* viewer said: "I don't want to think about Nicola Sturgeon doing sex stuff."

## Naked Attraction host says 'no' to baring all on show

ANNA Richardson says she would not have the courage to be a contestant on her show *Naked Attraction*.

The controversial Channel 4 programme sees male and female contestants bare all in the hope of being picked for a date.

Talking about whether she would go nude on the show, Richardson (*above*) said: "As a 49-year-old, I probably wouldn't."

"Just because of my generation, I don't think I would have the nuts to do it."

"If I was 20 and living as part of this generation that was all about Instagram and social media, maybe I would."

"But no, I am very happy in my spanx – I'm not taking them off."

The show has sparked complaints, but Richardson said: "When you look at other reality dating shows, they tend to focus on perfection, youth, beauty, everything that is really transient and fake in the world."

The angle of the magazine has shifted dramatically as a result, with the cover of the new summer issue featuring three nude activists posing underwater instead of models.

And that's not all – the cover shoot no longer focuses on sex, but on "sexual fluidity".

# RAINS SPARK SEX-CRAZED SPIDER PLAGUE

## Monsters invade homes for shelter

UNSEASONAL cold and wet weather is driving sex-crazed spiders indoors two months early – and they're hiding in YOUR bed!

Wind, rain and chilly temperatures are playing havoc with UK holidays and outdoor events – but they're also sending randy arachnids haywire.

Residents are reporting 'spider season' has started early as the country is hit by rain, hail and thunder.

Homeowners are being warned over an invasion of arachnids so large they're setting off burglar alarms.

Bristol Zoological Society's Simon Garrett said most spiders stay outside all year, but mating season changes their behaviour.

### Babies

House spiders usually look for shelter from September through to November – but it appears they are now arriving slightly earlier because of the weather.

The spiders have a leg span of up to FIVE INCHES and female spiders can stay in your

home for the whole of their seven-year life span.

Females are larger than the males and can often carry up to 100 babies at once.

They search houses for somewhere warm to lay eggs.

One expert said: "Your airing cupboard is the ideal place for them

as they search for somewhere to lay their eggs.

You could end up with hundreds of spiders in your bed, or the spiderlings could burst out of folded sheets when you take them out of the linen cupboard.

You could end up with tiny baby spiders running into your ears, nose and mouth and even across your eyes.

"Horrible."

### Brothers, 4 & 6, go on rampage

TWO little brothers left a trail of destruction in their village after running away from home.

The boys, aged just six and four, ran amok in the Bavarian village of Kulmbach, Germany, stealing a neighbour's gas burner and torching parts of a garage.

They then flooded another neighbour's basement, before stealing an aerosol can and spraying white varnish across other neighbours' doors and two cars.

A neighbour called cops and officers took the brothers to the local youth welfare office, which rang the mother to pick them up.

Police are investigating the exact details of the boys' rampage, which caused damage totalling around £14,000 – which the parents will have to pay for.

But she's a proper HORNY devil between the sheets!

Worthing-born Penny, 25, has a dream fantasy where TWO blokes give her X-rated ANAL sex!

The 32E beauty said: "Some girls like the idea of a threeway with a guy and a girl."

"But for me it has to be with two men. They would take turns dominating me."

"I'd probably let them both indulge in some anal sex. I never turn anal down - I love it!"

# HOOKERS SELL SEX IN EUROPEAN PARLIAMENT

**HOOKERS** are flogging sex INSIDE the European Parliament in Brussels.

A guide to the Belgian capital that's CRAMMED with adverts for kinky massage parlours and no-holes-barred escort girls was dropped into the pigeon holes of EVERY MEP, we can reveal.

Copies of *Brussels Midnight*, a pocket-sized guide to the city stacked with salacious suggestions, were distributed to MEPs' private post boxes – alongside official EU briefing notes and dossiers.

Magazines were issued to MEPs and their staff, advertising escort and massage services, using the European Parliament's internal mail.

## Revolting

MEP watchdogs, the Quaestors, branded the move "inappropriate" for the Parliament's internal postal system after a number of complaints were made.

It's believed services available at places listed in *Brussels Midnight* include:

- SLOPPY oral sex – without a condom
- Full sex
- ANAL romps
- 50 Shades-style S&M kinkiness
- So-called "Belgian Biscuit"

One sex boutique advertising in the booklet even offers "brown showers" – a

revolting act we are unable to describe in a family newspaper.

It is not known how many MEPs availed themselves of the sex services advertised but one establishment took out a full page ad on the magazine's back cover. A source said: "That's

the premium advertising spot. To pay for an ad on the back cover shows these people are making a fortune from randy MEPs."

Thanks to notoriously lax auditing at the EU, MEPs are able to claim expenses for visits to sex dens – so European taxpayers end up picking up the bill for politicians' kinks.

## Clinic w\*\*k perv nicked

A MAN was arrested after groping a woman and furiously masturbating in an abortion clinic.

The perv entered the lobby of the Planned Parenthood office in Redwood City, San Francisco, last week.

Police were told he approached a woman in the foyer and touched her buttocks, then exposed himself and had a tug.

The suspect, identified as Marcelo Arancibia, 38, of Redwood City, then fled, but was located and arrested by deputies a short time later.

The department said there are no other reports about the suspect and that the case remains under investigation.

Police say inquiries are continuing.

## NIC'S HOLY GRAIL QUEST CONFESSION

HOLLYWOOD star Nicolas Cage has clearly been watching too many *Monty Python* movies – because he's been looking for the Holy Grail.

He starred in the 2004 box office hit *National Treasure*, which saw his character Ben Gates on a journey to find an old document from to the founding of the United States.

Now the 55-year-old (*below*) has revealed he went on a 'grail quest' to find the Holy Grail.

Though he didn't specify where this journey took place, Cage insisted he'd not been drinking at the time.

He said: "I went years where all I was doing was meditating three times a day and reading books on philosophy, not drinking.

"That was the time when I almost went on what you might call a grail quest.

"I started following mythology and found properties that aligned with that. It was almost like *National Treasure*."

# AMAZING FINAL EPISODE OF BRITAIN'S YOUNGEST FOOTBALL BOSS ON BBC1 STRAIGHT AFTER MATCH OF THE DAY:

**Tosser had tug in busy McDonalds**

A MAN was caught on camera having a wank in the middle of a busy McDonalds.

Shannon Yates and his partner, Maree Reading, spent eight hours sitting in the dining area of the burger outlet on the afternoon of July 13.

Police said Yates (above) put his right hand inside his trousers and was seen vigorously "jerking his hand back and forth" as Ms Reading watched on from the other side of the table.

Officers who viewed CCTV footage of the incident noted Yates was sitting with his back to the wall and claim his movements demonstrated "a clear act of masturbation".

Several diners eating in the restaurant at the time witnessed him pulling his pud, as did a 14-year-old McDonald's employee, who's since undergone counselling and refuses to return to work.

Yates, who said he had been taking Ecstasy, was arrested a few days later in Wollongong, Australia, charged with behaving offensively in public.

He skipped court but was found guilty in his absence.

**Nude burglar nabbed after chimney plea**

A STARK naked burglar was hauled off the roof of a home by police and firefighters after his crime bid went badly wrong.

Officers say the man had been trying to burgle an apartment – bizarrely while in the nude – but was spotted by a neighbour.

The suspect fled and tried hiding inside a chimney at a house nearby in Culver City, California – only to become stuck.

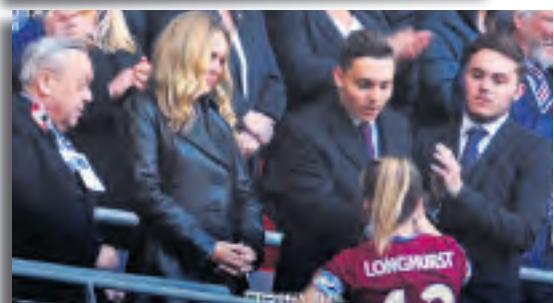

Neighbours said they heard a voice coming from the chimney.

Police and firefighters pulled him out and got him a towel as they escorted him off the roof.

He was arrested and hauled off to the local lock-up.

# WEDDING BABES... BARED!

By SUZIE SHELDON [news.sundaysport.co.uk](http://news.sundaysport.co.uk)

**IF you like flashy, then Vegas is the most romantic place in the world to get wed.**

The latest celebs to tie the knot in Sin City are Cara Delevingne and Ashley Benson who were hitched in an Elvis-themed chapel by a minister dressed as The King himself.

The duo are said to have paid £245 to tie the knot. After being declared "wife and wife" by the Presley impersonator, they posed for their first photos as newlyweds in a pink Cadillac.

Just a handful of guests – thought to have included Charlize Theron, the Jonas Brothers and Sophie Turner – witnessed the ceremony at the Little Vegas Chapel in Las Vegas Boulevard.

Ashley, 29, gave onlookers a sneak peek of her "wedding ring" while holding her jumper and suitcase as she made her way out of the back of a building in California.

The *Pretty Little Liars* star has been pictured wearing a gold band on her wedding ring finger in Beverly Hills.

Cara and Ashley join a long list of celebs who have said "I do" in Vegas.

## Tattoo head double killer found guilty

A HEAVILY-inked double-murder suspect whose lawyers feared the jury would "judge a book by its cover" for all the tats on his face has been convicted.

William Bottoms Jr. (above) was found guilty in East Baton Rouge, Los Angeles, of the 2017 murders of Dedrick Dewayne Williams, 23, and Mohamed Sead Hussain, 29.

Bottoms – who has spent most of his life in and out of prison – was sentenced to two life terms.

While questioning prospective jurors, his attorney, Jarvis Antwine, asked them whether they had a problem with Bottoms' facial ink.

In his closing speech, Antwine told the court that Bottoms was a "good dude" and urged the jury not to "judge a book by its cover".

But the deliberated for just an hour before finding Bottoms guilty.

## Mayor calls for hooker booths

THE mayor of a central district of Berlin has suggested installing sex booths where prostitutes can meet clients at a disused airport.

Stephen von Dassel, of the Green Party in Mitte, proposed the changes in a statement last month, saying sex workers in the city currently work in unsafe conditions.

Von Dassel says booths should be installed at the former Tempelhof airport and keep hookers safe.

**FINAL ENCORE:**  
Lying in his coffin surrounded by favourite things

By JAYNE FERGUSON news@sundaysport.co.uk

### THERE has never been anyone else like the late punk rocker GG Allin.

Many words have been used to describe him – "individualist", "anti-authoritarian", and "unique" are among the nicest.

"Violent", "chaotic", and "madman" are some of the others.

All are true, but if you had asked GG Allin how he would describe himself, he'd have said he was the last true rock and roller.

And, depending on your definition of rock and roll, he might just have been.

From his humble roots in New Hampshire, to being on stage and SHITTING in front of thousands, one other thing was sure – GG Allin was definitely something.

Long before he was cross-dressing, sparking riots, and exploring the world of hardcore punk, GG Allin was living an entirely different sort of life.

Born Jesus Christ Allin in 1956, GG grew up in rural Groveton, New Hampshire.

The Allin family's patriarch was a religious fanatic named Merle, and they lived in a log cabin without electricity or running water.

Merle was reclusive and abusive and often threatened to kill his family. He would dig "graves" in the cabin's cellar to prove how serious he was.

The younger Allin described living with Merle as a primitive existence, likening it to a prison sentence rather than an upbringing.

But he was ultimately

## POPPED THEIR CLOGS!

**MUSIC'S MOST SHOCKING DEATHS**

LIVE fast, die young...the ethos of rock and roll right from the early days – and many of music's most famous stars have taken it on board.

The rock and roll graveyard is absolutely chock-a-block with those who have toppled off this mortal coil far too early.

Drink, drugs, drink and drugs, suicide, car wrecks, plane crashes, murder...for many pop stars, the end is not without drama.

Today we look at a singer who lived a life as hard as his brain-scrambling music...

thankful for it as it "made me a warrior soul at an early age".

Eventually, Allin's mother Arleta got out and moved to Vermont, taking with her Jesus Christ and his brother Merle Jr.

Jesus became "GG" after Merle Jr was unable to pronounce "Jesus" correctly. It kept coming out as "Jeejee". In the end, GG stuck.

In 1966, after she got remarried, Arleta officially changed her son's name from Jesus Christ to Kevin Michael, though he continued to

go by GG. Whether he was traumatised by his early years or simply possessed a healthy disregard for the rules, GG Allin spent his high school years acting up.

### Drugs

He formed several bands, cross-dressed at school, sold drugs, broke into houses, and generally lived life on his own terms.

But even cross-dressing and breaking into homes and cars were nothing compared to the depravity that would ensue later in his life.

# After he shat onstage, chaos broke out...the smell was incredible

**DEAD MAN WALKING:**  
Allin walking naked  
through crowds on  
way to his death

After graduating from high school in 1975, it was no surprise that GG Allin eschewed any idea of further education.

Instead, he pursued his music, channelling his idols Alice Cooper and the Rolling Stones and breaking into the scene as a drummer.

He performed with several bands and formed two with Merle Jr.

Eventually, in 1977, he found a permanent gig playing the drums and singing backup for punk rock band The Jabbers.

Allin stayed with them until 1984 and put out his debut album *Always Was, Is and Always Shall Be* with them.

But in the mid-80s, tensions over Allin's unwillingness to compromise caused the band to split.

Throughout the 1980s, Allin again found himself hopping from band to band.

He appeared with The Cedar Street Sluts, The Scumfucs, and the Texas Nazis between 1982 and 1985, gaining a reputation for himself as a hardcore underground rocker.

Then, after a gig in Manchester, New Hampshire, with the Cedar Street Sluts, he

became known as "The Madman of Manchester".

In 1985, while he was performing a show in Peoria, Illinois, with Bloody Mess & the Skabs, GG Allin took his madman title to the next level.

As he stood in front of a crowd of hundreds, he SHAT on stage.

"I was with him when he bought the Ex-Lax," frontman Bloody Mess recalled later.

Unbeknown to the crowd, the act was entirely premeditated. "Unfortunately, he ate it hours before the show, so he constantly had to hold it in or he would've shit before he even got onstage."

"After he shit onstage, complete chaos broke out in the hall," Bloody Mess said.

"All of the old men in charge of the hall went f\*\*king nuts. Hundreds

of confused punk kids were flipping out, running out the door, because the smell was incredible."

The reaction was evidently the one that GG Allin was going for, as crapping became a regular part of his act.

Before long, he wasn't just shitting on stage – he started EATING it, too, smearing it around and throwing it at audience members.

He also incorporated blood into the act by pouring it onto his body before performing and by spraying it across the stage and audience.

But the destructive nature of his sets resulted in venues and equipment companies severing ties with Allin.

Police were often called, especially when Allin began jumping into crowds and onto audience members.

Several female fans claimed he sexually assaulted them after the shows, and others claimed he attacked them during gigs.

In 1989, he was jailed for assault. He admitted to cutting and burning a woman as well as drinking her blood – and served 15 months in prison.

GG Allin carried the weight of his childhood throughout his life, constantly bucking authority to make up for the years under his dad's crushing thumb.

Those he was close to – though few and far between – saw his total embodiment of rock and roll as an escape from consumerism and commercialism, and a desire to return rock and roll music to its rebellious roots.

## Legend

Though the two seem polar opposites, GG Allin idolised country music legend Hank Williams.

Williams, like Allin, was a quiet loner with a persistent drinking habit, who travelled light and often, and wanted nothing more than to embody music.

Despite the fact that Allin's music never really took off, due to poor recording and distribution, he carried on performing, and drew crowds of hundreds of punk kids.

He found solace in dark places, writing to and visiting serial killer John Wayne Gacy in prison and commissioning a painting from him to use for

album cover art.

Beginning in 1989, he repeatedly stated he would commit suicide publicly during a performance – most likely on Halloween.

Ultimately, he didn't go out quite like he planned, but his death was still a spectacle.

In Manhattan on June 27, 1993, he cut the power to the venue he was performing at during his second song.

In the dark, he trashed the club, stripped naked, and walked through the streets covered in blood and his own shit early into the next morning.

The crowd followed him until he reached the home of a friend, gathering outside as he went in.

There, he ingested a large amount of heroin and died of an overdose, aged 36.

Whether the overdose was intentional or part of his promise to follow through on his pledge to kill himself still remains a mystery.

Throughout his life he made it clear he didn't intend to live to old age, regularly saying suicide would be his undoing.

"It's not so much wanting to die," he once said, "but controlling that moment, choosing your own way."

**AUTHORITIES have BANNED a giant inflatable MINGE from flying over a city centre.**

Edinburgh City Council and Edinburgh Fringe Festival organisers have come under fire for claims they banned the use of a vagina illustration and vagina blimp in Scotland's capital.

Elvie, a women's health and wellness brand, intended to host an educational pop-up at the arts festival to highlight female incontinence problems.

This included a booth which featured a large illustration of female genitals, accompanied by the phrase 'The P\*ssing Booth', to be set

# GIANT MINGE BANNED FROM EDINBURGH FESTIVAL

up on the Royal Mile — one of the main streets of Edinburgh — outside St Giles's Cathedral.

However, founder and CEO of the brand, Tania Boler, claims festival organisers banned the use of the illustration.

This was followed by a decision from the city council to then ban the use of a 19ft vagina blimp that Elvie planned to fly in the same spot.

Elvie has now started a petition urging the council to #LetFannyFly and the blimp is currently flying on a farm just outside the city.

## Wetting

Tania said: "We'd planned a campaign involving an educational pop-up, billboards and a blimp in the shape of a vagina.

"As one of the most open-minded arts festivals in the world, we assumed that the Fringe would be comfortable. But we were proved wrong and were told that any use of vaginas on the Royal Mile was 'not suitable'."

Tania added: "Incontinence is an

issue that affects one in three women. If this was another health condition, it would be considered an epidemic and the subject of activism across the country and the world.

"But because wetting yourself is seen as a taboo, people don't talk about it and women feel a sense of embarrassment and fear judgement."

# GUARD IN SHOPLIFTER SEX RAP

A SECURITY guard has been accused of coercing a woman into sex to avoid her being nicked for shoplifting.

The victim contacted cops in Grapevine, Texas, last month, alleging the sexual assault happened in May.

Cops arrested Alex Landry (right) at a flat in North Richland Hills last week.

The 29-year-old is

accused of sexually assaulting the woman inside the Burlington Coat Factory loss prevention office.

She said Landry caught her stealing items from a Forever 21 store, inside the Grapevine Mills Shopping Centre.

Landry is charged with sexual assault and released on bail.

Detectives believe there may be more victims.

Naked w\*\*king biker claims he's Michael Jackson

A NAKED man who tried to swap his bike for a pair of arseless pants in a sex shop told cops he was Michael Jackson.

The mystery man (above) was first spotted by witnesses who saw him riding a bike nude in Wilton Manors, Florida.

He entered adult store RockHard Lovestuff, took a pair of arseless pants off the shelf and put them on.

He then told store employees he wanted to give them his bike in exchange for the underwear.

According to a police report, the man left the store without paying for the underwear.

He walked up and down the busy street, then removed his undergarment and exposed himself while furiously masturbating.

When cops arrived, he told them his name was "Michael Jackson".

The 38-year-old man, who refuses to identify himself, faces a charge of lewd and lascivious behaviour, according to records.

He remains in jail and is awaiting trial.

**Nude intruder 'critical' after shot in balls**

A HOMEOWNER shot and critically injured a naked man in the BALLBAG after he forced his way into his home.

The resident told cops his dog started barking around 1am, so he went outside to investigate.

He found the man and told him several times to back up.

But the man forced his way into the home in Baton Rouge, Louisiana, before the homeowner shot him in the balls.

The unidentified man went to hospital, where he remains in a critical but stable condition.

No charges have been filed, but investigators haven't been able to talk to the wounded man because of his medical condition.

One police source said: "The intruder was very fortunate that his balls weren't blown clean off."

**Leilani joins her new telly pals for fetish party**

THE Real Housewives of Cheshire stopped traffic when they turned up for a kinky FETISH themed party.

Stars of the ITVBe show - including Dawn Ward, Ester Dee, Christine McGuinness and Tanya Bardsley - donned PVC, leather and strappy outfits for the X-rated bash.

But Leilani Dowding, who has just joined the reality show, was the stand-out star.

The 39-year-old showed acres of thigh as she wore a black basque outfit.

One onlooker said: "By eck! She's a fine looking lass of her mams."

The Real Housewives of Cheshire returns in the autumn for its 10th series.

# J-LO'S ARSE GETS SUED!

By GRACE HOOPER news@sundaysport.co.uk

**A RABBLE-ROUSING Egyptian lawyer has filed a lawsuit against pop star Jennifer Lopez for appearing "naked" and showing off her bum while in concert in his country.**

A number of female Egyptian government ministers who attended the concert are also being sued by Samir Sabri, a lawyer who has sought jail time for a number of high-profile defendants.

The lawyer has gained global notoriety and most recently brought a lawsuit against the BBC for alleged bias against the government of Egyptian President Abdel Fattah al-Sisi.

Sabri and fellow celebrity-bashing lawyer Amro Abdelsalam last year sought a conviction for Egyptian actress Rania Youssef on obscenity charges, in a similar case to the one brought against J-Lo (right).

### Apology

Youssef became the target of public scorn in December after appearing in a partially see-through dress while on the red carpet in Cairo.

The lawsuits were withdrawn after she made a public apology.

J-Lo appeared for the first time in Egypt in northern coastal city El Alamein.

Her racy outfits on stage riled Sabri, who filed a lawsuit over the singer's "transparent and naked" clothing.

# THE WORLD FAMOUS AGONY Page

Dear Kelly,

I WENT on the piss last week and pulled a Dutch student who recently came over here for a university course starting next month.

She's blonde with a cracking body – big tits and a lovely arse – and she had a very liberal attitude towards sex!

On the first night I shagged her, we did everything – oral, 69er, doggy-style and even ANAL!

I started off by undressing her and then licking her out. She was loving it as I slurped away at her love-tunnel and it wasn't long before I'd got her juices flowing.

I brought her to orgasm then she made a grab for my cock, pulling it out of my jeans and sucking hard on it.

She was begging me to take her from behind and I eased myself into her gash. But after only couple of minutes she demanded I stick my dick in her bumhole!

I couldn't believe it! Are all European birds this filthy?

GT, Glasgow

Kelly says...

YES – and the Germans are even kinkier!

Dear Kelly,

MY girlfriend and her filthy mate put on a bit of a lesbo show for me a couple of weeks ago and I ended up boning them BOTH.

Me and the missus got chatting ages ago, after one of our wild sex sessions, about trying a threesomes at some point.

Thankfully, she was up for doing it with another bird and quickly arranged for her fit pal to make up the numbers.

When we got down to business, I slipped into her mate from behind while she was licking my bird out.

They then changed over and I did my bird while she was fingering her mate.

The problem is that my girlfriend's mate is so much better in bed than she is. I've shagged her on her own a few times and she was absolute filth.

I'd now like to move in with her, but I don't really want to ruin a relationship which has lasted a long time. What should I do?

FT, Yorkshire

Kelly says...

THE wise thing to do would be to stay with your girlfriend, but I dare say you will do whatever you want.

## While the hubby's away the randy wife will play

Dear Kelly,

I OFTEN visit a company run by a husband-and-wife team to help with their computer systems.

When I arrived last week the hubby was out on business and the wife was wearing a skimpy low-cut top.

When she bent over I couldn't fail to notice her round tits and pert nipples.

She smiled and encouraged me to massage her tits while she stroked the bulge in my trousers.

I put my hand up her skirt and inserted two fingers straight up her fanny and worked away until she climaxed.

She then said she wanted to watch me wank. She slid off her knickers and spread her legs while I beat one off.

I have to go back in a couple of weeks and can't afford to lose the contract – which I will if the hubby finds out.

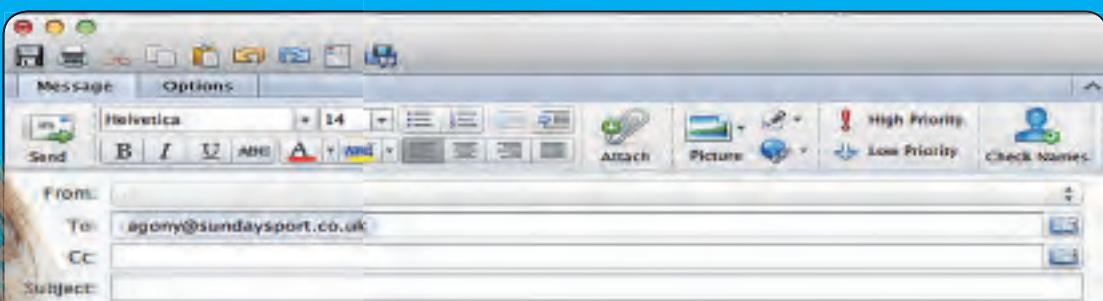

PW, Southampton

Kelly says...

PROGRAMME her to be careful.

# Park nookie spy was our son's girlfriend!

**Dear Kelly,**

I WAS inspired to try a sex session with the missus in our local park after reading about the fun and games that other people get up to.

They seem to get off on having sex in public places and I thought my wife might enjoy it.

We're both in our 40s and our children have grown up and moved out, which means we can experiment with nookie again.

When I mentioned doing it in the park, she really got into the idea.

She settled on a pair of long black boots with a loose knee-length skirt and overcoat – and no underwear at all!

It was just going dark and on the walk to the park I managed to get my hand up my wife's skirt.

Judging by her soaking fanny, she was as turned on as I was.

In the park I sat on one of the swings and my wife got

down on her knees and gave me a slow and sensuous blowjob.

Then she lowered her skirt and straddled me on the swing. We managed to get quite a rhythm going as we swung back and forth.

### Slippery

At this point I caught sight of a young woman over my wife's shoulder, standing under a tree watching us.

So I pulled my wife's arse cheeks as wide apart as I could to give her a better view of my big, fat cock thrusting in and out of her.

The woman hitched up her own skirt and got her hand in her knickers.

I was so turned on by this, I quickly sent my load deep into my wife's dripping pussy.

That's when my wife also spotted the

young woman and decided to give her a real show by bending over the slide and slowly fingering her slippery fanny.

I thought she'd stop when the woman came over, but instead my wife ordered her to get her tongue in.

It was a fantastic sight as I sat there and watched. But when I took a closer look at the young woman's face, I got a shock as I realised it was our son's latest girlfriend.

Now I'm worried that she'll tell our lad what we were up to.

*CB, Nottingham*

### Kelly says...

WHY worry? He might be proud of you for having a shag in the park at your age.

**Dear Kelly,**

I'M a 24-year-old builder who has been working on some new flats in a posh part of town.

A woman next to the site seemed to be regularly at her window and it was clear she was ogling me.

We got chatting and she invited me in for a sandwich. But it was clear that more was on offer.

She said she was divorced and hadn't had sex for ages. And she said it was her fantasy to shag a hairy-arsed builder.

She's 40 and a curvy 36D with long black hair.

Normally, I think of myself as a sensitive lover who always puts the woman first.

But this time, I grabbed her roughly and stuck my tongue down her throat.

Then I unzipped and coaxed her head down and she took my bulging cock in her mouth.

Then she hitched up her skirt to reveal her five bellies I felt a bit sick, but stuck with it.

When she stripped off her kit to reveal her five bellies I felt a bit sick, but stuck with it.

Then she took out her false teeth, sucked me until I was semi-hard and hopped on my poor old man and rode me like a hippo.

Afterwards I escaped to find my wife and watched as the chairman gleefully pounded her.

I never want to go again, but my wife loved it and wants us to go every bloody week!

What should I do?

*RF, Devon*

### Kelly says...

SO she wants a physical relationship with you and nothing else. Enjoy!

**THERE'S** one thing that always gets me in the mood for some naughtiness... that's baby oil.

I love to rub it all over my 32DD boobs – or even have a helping hand doing it.

I feel so sexy when it's all over my bum, and my taunt stomach too.

I love the way it feels and it means a man's hands just easily glide over me. I love how it glistens too.

And of course it's really essential for a good old tit-wank, which is a treat I love to give my man.

## Lube

For a real mind-blowing one, I will lube him up with the oil and get him started with a slow and sensual handjob.

Then I get him to sit back on the sofa or bed and, kneeling down between his legs, I lean into him and tease the end of his cock, rubbing it slowly all over my nipples, then slip it between my boobs.

I gently place my hands either side of my titties and rub them up and down along the shaft, while maintaining eye contact and keeping the rhythm going until he cums.

For some dual pleasure, I let him play with my boobs as I use a bullet vibrator. Guys love to see me turned-on too.

**By SIMON DEAN**  
[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

**JUICY** Joanne Latham is one of the all-time greats of Page Three.

She was born in Wolverhampton in 1961 and after studying classical ballet for 10 years and taking a scholarship to the Royal Ballet School, she started modelling.

Her 36DD-24-34 figure made her an instant success.

After many newspaper appearances, *Playboy* and *Penthouse* magazine bosses battled over her signature.

Finally in 1979, she agreed to appear nude in the 10th anniversary issue of *Penthouse* magazine, signing a £70,000 contract.

**Quit**

Joanne appeared in many TV commercials in the UK and the US and made a 1980s documentary on her life as a model.

She studied drama at the Old Repertory Theatre in Birmingham and plans to return to the stage working with the Royal Shakespeare Company.

Joanne quit the modelling world in 1982 and is currently teaching yoga.

Now 58, she is working on setting up yoga and natural healing centres throughout the UK.

# SHOW ME THE HONEY!

**WELCOME** to the interactive *Midweek Sport* – where **YOU** get to choose the stunnas appearing on these pages!

That's right, we publish sexy snaps of the babes you most want to see – **TOPLESS** or even **NAKED**.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – **UNIQUE** to British newspapers – is totally **FREE**!

All you have to do is drop us an email to [requests@sundaysport.co.uk](mailto:requests@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## ANGELICA BREXNER

**RAUNCHY** Angelica Brexner was the choice of student Harry Jackson after he bumped into her on a night out on the Toon.

Newcastle student Harry, 19, couldn't stop staring at 29-year-old Angelica when he spotted the 32D local beauty partying away in her North East home city.

He said: "I need to see more of Angelica as she looked sensational when I saw her dancing proper sexy and stuff."

"But I'm certain she'll look better without her clothes on. Make my day!"

## NICCI CAMPEN

WE'VE had stacks of requests begging us to print a snap of Nicci Campen's 32E assets.

Salford taxi driver Gary Hartley was one of many readers asking for a photo of the 28-year-old model to enjoy.

He said the Chelmsford-born lass is his all-time favourite pin-up and it would really make his day to see naughty Nicci with her norks out.

Gary, 42, said: "Please can you answer my prayers? She is a fave of mine and it's been ages since I saw a photo of her topless."

## ROISIN HUNTER

THIS stunning shot of Scottish-born babe Roisin Hunter comes at the request of reader Thomas Matternon.

Thomas, 37, from Ipswich, emailed asking for a photo of the 30-year-old's 30DDs to add to his collection of topless babes he has stuck on the inside of his lorry cab.

Thomas said: "I'm always on the road and photos of all my favourite Sport girls keep me going."

"I have a huge collection stuck to the inside of my cab but one I'm missing is Roisin. Help us out, eh?"

# RIO? GRAND!

**HERE'S** your chance put the horror of the World Cup behind you in favour of some real Rio talent!

*Suck Like A Brazilian* may sound like the college course you wish your other half would sign up for but this amazing DVD is a celebration of the art of the BJ as performed by dusky South American lovelies.

It's from the house of Private so you know the girls, the studs and the production values are going to be tip-

top but it's the technique on show here that sets it apart.

These girls, led by the stunning Sandy Rio, could get wood from a dead man.

It's generally thought that football is the national sport in Brazil but after sitting through almost three hours of this stunning collection I'm going to suggest that they could also take of the the world at c\*\*\* sucking!

We'd love to show you grabs but can't find any without a happy penis front and centre!

## UNDER-FIRE LIONS MUST STOP SMITH

THERE has only been one draw in the last 10 Tests between England and Australia at Lord's and it is hard to imagine we won't get a result in the second Ashes Test which begins at the home of cricket this morning.

The hosts need to win at least two of the next four Tests to regain the coveted Urn after their chastening loss to the Baggy Greens in Birmingham, when they were overwhelmingly outplayed by the Tourists despite having the best batting conditions on Day two.

The loss of Jimmy Anderson – after just the four overs – with a recurring calf injury certainly hurt but many of the World Cup winning 50-over sides were out of sorts with the notable exception of Ben Stokes.

Jofra Archer will replace Anderson in the England side at Lords and slow left-arm Jack Leach – who top-scored with 92 as a night watchman against Ireland in the recent one-off Test – will replace Moeen Ali who needs a rest from Test cricket.

Leach has bowled just three first-class overs in the last month and has figures of 0-26. It would be fair to say the Baggy Greens will not be having too many sleepless nights over his selection.

Archer is a different kettle of fish. He has the ability to bowl in excess of 90 mph and there will not be many Aussies playing off the front foot in his first spells. He is a threat, but can he sustain his pace and aggression for 20 overs a day for the next four Tests? I wonder.

### Loyal

Steve Smith put on a batting masterclass in Birmingham but even he cannot sustain his Bradman-esque statistics throughout the series. I did feel, however, that the Aussies won with something to spare at Edgbaston and I make no apology for maintaining my stance that Jason Roy and Jos Buttler are great One-Day players but ordinary Test cricketers.

Having put up the Aussies to win the Series and the 1st Test we are on good terms going into Lord's. If I were Tim Paine or Justin Langer I would bring back Mitchell Starc for Peter Siddle at Lord's although I expect Tim Paine to remain loyal to his winning side.

The draw has been backed into 3/1 because of an unsettled forecast. This will be a much-improved wicket to the one that faced England and Ireland but I still expect there to be a winner. If England can get rid of Smith early in both innings then they have a chance, otherwise I can't see another win for the Aussies.

England are 6/4 to level the series with Australia 7/5 and the draw 3s. David Warner failed in both innings at Edgbaston, but he is too good to continue to miss out although the first hour will always be difficult to survive such is the quality of England's new-ball attack.

My recommendations for top 1st innings runscorers are Mathew Wade (6/1 at BetVictor) for Australia and Ben Stokes (also 6s with BetVictor) for England.

THUMBS DOWN: Rafa Benitez fell out with the Newcastle board

# Rafa: I lost trust in Toon's board

## MONEY NO OBJECT IN BENITEZ MOVE TO CHINA

**RAFA Benitez says his leaving Newcastle was NOTHING to do with money.**

The Spaniard left the Toon for Chinese Super League side Dalian Yifang.

He coped a large pay rise into the bargain but Benitez is desperate to point out that he wanted to stay at St James's Park.

Rafa says he walked away because he couldn't work with the club's board and chief executive Lee Charnley.

He added: "I tried to do my best every day, even staying when we went down to the Championship and saying no to other offers — bigger offers

By PAUL THOMAS

than the one I recently accepted with Dalian Yifang, by the way.

"If I was only interested in moving for money, as Charnley stated, I could have done it much earlier.

"Newcastle's board had a year to sort out my contract but, when we met after the end of last season, they didn't make me a proper offer.

"They told me they didn't want to invest in the academy or the training ground — if they like, I can explain the reason why Mike Ashley refused to do that.

"After that meeting, I knew they would not come back

with a serious offer and, when it arrived, 19 days later, it was for the same salary as three years earlier and with less control over signings.

"After three years of unfilled promises, I didn't trust them."

### Target

On the pitch, former Toon striker Matt Ritchie thinks there were plenty of positives to take from the opening-day defeat against Arsenal.

He reckons Miguel Almiron and Joelinton showed good signs of a blossoming partnership in attack even though they didn't hit the target.

Ritchie said: "I thought Miguel and Joe were a real

handful. Miggy was fantastic throughout the whole game really. I'm sure that will excite everyone involved in the whole club so there's certainly positives to take.

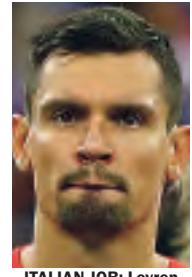

"I think defensively we were very solid, very sound, and it's just disappointing that the goal came from a bit of sloppy play from us rather than an outstanding play from Arsenal.

"So, yeah, disappointing but it's early days and we're going to build on hopefully what we've done today and don't get too down because there's another one on Saturday and we're looking forward to that and hopefully a good performance and three points."

Lamps has Blues up for Cup

ITALIAN JOB: Lovren

Stopper Lovren off to Roma for £15m

**FRANK Lampard** says his Chelsea side will be ready to tackle Liverpool in the Super Cup final.

The Blues legend copped a 4-0 beating against Manchester United on his Premier League managerial debut on Sunday. That wasn't the ideal preparation for the Istanbul showdown against the Champions League winners.

But Lampard insists his players will "give it everything" against Jurgen Klopp's Reds. As a player he was beaten in two Super Cup finals and doesn't want to suffer the same fate as a manager.

He said: "We need to be absolutely ready."

"It's a cup that the club desperately wants to win. I've never won it, a lot of players in there have never won it, so we have to give it everything."

"Going up against the team with the quality of Liverpool in a final is as tense as finals can be."

"You can lose finals — they're very tough."

"But what you cannot do is lose it on the premise that we weren't prepared, or we didn't have that hunger or desire or everything you need to try and win a game of this magnitude."

"It's going to be one of my first competitive games as manager of

this club. Every player in there needs to be aware of the importance of the game to this club and we have to give everything, because it's going to be tough."

"It's going to be tough, but we cannot walk off the pitch and think, 'Oh, we could've done that' or 'We missed that opportunity' or 'We weren't quite ready' or make any excuses for ourselves."

Lampard says he was happy with the way his players performed at Old Trafford despite being on the wrong end of a 4-0 drubbing.

The game was more even than that scoreline suggests with the Blues missing plenty of good chances before United took control. They hit the woodwork twice and had lion's share of possession.

## Performance

Lampard said: "We have to be grown up about it because it doesn't feel nice."

"We're Chelsea we don't want to come here and lose 4-0, we don't want to come anywhere and lose 4-0."

"But we know — and anyone playing the game knows — we put in a performance that for big parts wasn't a 4-0, but we have to accept that and realise it's probably three points and we have too many things coming."

"We have our first home game next weekend and we need to take all the good bits from the United game but, more so, we need to analyse the bad bits and correct them."

Chelsea are expected to have some of their experienced players back against Liverpool.

Ngolo Kante is expected to start after being on the bench at Old Trafford. Willian has made the trip to Turkey and Antonio Rudiger is back in full training.

# MOEEN GOING FOR A BREAK

**MOEEN Ali** is taking a break from all forms of cricket after being dropped from England's Test side.

The spinning all-rounder has been dumped from the Ashes side after his poor showing in the Edgbaston defeat.

He scored four runs in his two innings and took just two wickets as the Aussies clocked in the runs in their second dig.

Jack Leach has come back into the side for the second Test at Lord's.

Now Moeen will take some time off from playing county

## CRICKET

cricket for Worcester in a bid to regain his form.

First-team coach Alex Gidman said: "Mo is spending a little time away from the middle recharging his batteries and putting in some quality practice time which he feels he needs, and we completely respect."

"He has had an intense schedule of international cricket involving the ICC World Cup and the start of the Ashes. "Mo loves playing for

Worcestershire and he gives a lift to everyone in the dressing room when he comes back and plays for us."

"We look forward to when he returns soon."

It's a fall from grace for Moeen who has taken more Test wickets than any other bowler in the past 12 months — 48 at a good average of 25.

His real problems started in the World Cup where his batting and bowling was modest.

He has made double figures just twice in his past nine Test innings as his average has

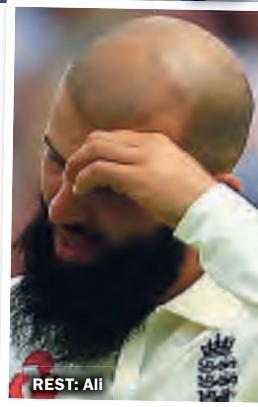

dropped below 30. Meanwhile, skipper Joe Root is looking forward to fielding fast bowler Jofra Archer against the Aussies.

The 24-year-old will make his Test debut at Lord's. Root said:

"He is confident and that's great to see in a young guy, as he should be after the World Cup."

"And, as he made very clear, it's his preferred format so again I'm very excited to see at the start of his journey."

"It will motivate him and when he gets the chance he will be desperate to prove to everyone how good he is."

REST: Ali

"So that's what we try and then he will be fine."

"He's a really, really good goalie and a really good person and since he was in he looked really well, and that's it."

Liverpool have named their strongest squad for tomorrow night's match in Turkey.

It includes veteran gloveman Andy Lonergan who has signed a one-year deal to provide cover for the senior goalkeepers. He went on the club's pre-season tour of the US.
